

THE 10 LAWS

OF NEXTECH ACADEMY®

- 01** Create a thoughtful **TRAINING PLAN** before training begins.
- 02** **ALIGN** all departments on the value of technical training.
- 03** Ensure the Training Leader has the **BANDWIDTH** to oversee the program.
- 04** Be **DISCIPLINED** and make progress in the program, regardless of outside influences.
- 05** Set **CLEAR EXPECTATIONS** for your students.
- 06** Hold regular **CHECK-INS** to ensure participation and progress in the program.
- 07** Hold students **ACCOUNTABLE** when expectations are not met.
- 08** Use the **RESOURCES** (people, places, and equipment) available to execute the program.
- 09** **BUILD A TEAM** whose members support each other. Empower leadership from every position.
- 10** Maintain a **FLEXIBLE ATTITUDE** so that adjustments can be made to enrich the learning experience.
